

Success stories . . .

'The whole week was a fantastic training experience, what surprised me was the professionalism, I had heard that the academy was good, but how brilliant I only found out once I started the course. The AK educators are so friendly, I felt like I should have paid more. A heartfelt thank you to all at Ash Kumar, my dreams have finally come true.'

Fazila Williams, Holland

'Brilliant... excellent... you've changed my life, I'm so proud of myself, simply thank you thank you thank you Mr Kumar you're the best.'

INTRODUCING OUR NEW BUSINESS START UP PACKAGE

AN INSIGHT INTO OUR COURSE

DAY 1: MAKE UP FOUNDATIONS/BASE/INTRODUCTION

Understanding the very importance of base make up, how and why is the beginning, the ultimate finish? Understand how to choose foundation products: stick, liquid, studio fix or another. We use professional products to get that magazine finished look. The day is constructed in two halves, the first concentrating on the base make up and getting it right. The second in introducing base colour to the eyes and cheeks.

DAY 2: MAKE UP FASHION/COLOUR/INTRODUCTION

This is an indepth day in using eye colour and creating those looks that you may have thought can't be achieved. This is one of our most successful classes introducing the easiest, most effective techniques using eye shadow, liners, mascaras, lashes, highlighters and much more to get the desired look. Students are asked to bring in some tear sheets from magazines to create a professional mood board of what they would like to achieve. This is a brilliant day to help boost your confidence in using colour from your palette CORRECTLY.

DAY 3: MAKE UP BRIDAL/REGISTRY/INTRODUCTION

Addressing the most common asked question 'can you do my make up for my wedding?' Our professional team and almost all our past students rate this as the best day in makeup classes! Learning the heavy smokey eyes, seen in movies, flash lashes (like in the magazines), using the traditional colours, with glitter. Creating the PERFECT eyeliner is vital, today we show you how. Using top of the range products and brushes like Bobby Brown and MAC. Our expertise give you specifics and detail guidance on application techniques and help boost confidence Be another successful student with fantastic support and confidence.

DAY 4: HAIR BASIC/FASHION/INTRODUCTION

Hair is the ultimate finish to any make over, taken seriously at our academy. The truth is hair covers 60% of the head. We start with hair basics and vital basic rules in hair alignment, sectioning and development in design. This will help create wonders in hair styling. The day is conducted in two halves. The first half thoroughly concentrates in understanding hair basics and the importance of professional hair tools. The second half focuses on creating looks with high fashion styling, tackling the most expected demands and confidently create your own look. All our courses are fully equipped with state of the art apparatus and equipment. We provide professional head dolls to create hair styles to learn on. You will learn 4 in-trend hair styles.

DAY 5: HAIR BRIDAL/DUPPATA SETTING/INTRODUCTION

Day 5 is the most sought after course day in our 'Total look' programme. Creating the ultimate bridal hair styles, giving that extra height and volume to the desired look. Learning 4-6 bridal hairstyles (without extensions), including the latest Bollywood trends and behind the scenes insight to give your clients the latest hairstyles from the red carpet. Some of our most secret techniques will teach you our ground breaking styles and tips and will leave your clients wondering how you created that?
